ABOUT US

We are an independent non-denominational congregation of Christian people.

We seek to be a caring community of faith doing our best to share the message of hope in response to the grace of God, the comfort of the Spirit, and the sacrifice of our Lord Jesus Christ.

The churches of Christ emphasize the unity of believers and the restoration of church practices to the earliest possible Biblical examples.

All churches of Christ are autonomous, no general conference or assembly is held, and the group has no central headquarters.

Assisted by voluntary associations of independent congregations in all 50 states, the Churches of Christ maintain congregations and missions in more than 80 countries. They also operate orphanages and homes for the aged, 15 colleges, 9 universities, more than 25 Christian schools in the United States, and 7 schools and colleges outside the United States.
